

EnergisED

Who are LGfL?

LGfL are a charity whose mission is the advancement of education.

Our priorities are saving schools money, keeping children safe, tackling inequality, energising teaching and learning and promoting wellbeing.

Our ambition is for UK schools to lead the world in digital innovation, enabling children of all backgrounds and abilities to achieve more whilst schools spend less.

What is the EnergisED Service?

The EnergisED Service provides award winning, safe and secure learning resources to help teachers and learners improve effectiveness and save preparation time.

The LGfL portfolio includes access to :

- Unique resources featuring experts in their field with related curriculum support to energise everyday teaching and learning both online and in schools
- Award winning BusyThings and J2e platforms for all LGfL Primary and SEND schools
- Many resources include support for SEND and EAL Pupils

Our support to schools comes in four broad areas:

1. The InspirED service offers high quality training will help maximise the impact of the EnergisED portfolio
2. Providing learning resources which support inclusion for all
3. Advising schools on how technology can help support effective and inclusive everyday Teaching and Learning
4. Building a strong community of schools, charities, and others to share best practice and promote inclusion in the education sector.

FREE Training

for Curriculum leaders, SENCOs, Early Career Teachers, Classroom Staff and School Leaders.

LGfL offer training sessions on a wide variety of topics related to supporting effective curriculum delivery all of which are FREE to attend by ANYBODY.
